

# U HIGH SCHOOL XBRIDGE

Head Teacher: Peter Lang

January 2009

Dear Parents and Students

## Building schools for the 21<sup>st</sup> Century

Hillingdon Council is now consulting on its proposals for Building Schools for the 21<sup>st</sup> Century ('BS21').

This is a very exciting project and provides a golden opportunity for Hillingdon secondary schools and Uxbridge High School.

A detailed information pack is being delivered to all homes in Hillingdon and a response form is attached. The deadline for returns is **Monday 23 February 2009**. You can either return the form or respond on-line at [www.hillingdon.gov.uk/schools](http://www.hillingdon.gov.uk/schools)

At Uxbridge High School we are seeking extra funding to further develop our existing school estate master plan. The public consultation states: ***"Uxbridge High School could remain at its current size to meet demand. Re-building and re-modelling of the current school would need to be done to improve facilities, supporting the school's specialism in technology. With innovative design and organisation, incorporating the original Edwardian building as a key feature, smaller learning environments could be created within the school."***

The key question on the response form is Q10 : ***"there is an option for rebuilding and remodelling at Uxbridge High School"*** . We are asking all families to respond to this question with a ***'strongly agree'*** response. The more positive responses given, the greater the chance of Uxbridge High School gaining much needed extra resources

For further information go to [www.hillingdon.gov.uk/schools](http://www.hillingdon.gov.uk/schools) or you can speak to a member of the Building Schools for the 21<sup>st</sup> Century team on 01895 558216 or email them on [BuildingSchoolsforthe21stCentury@hillingdon.gov.uk](mailto:BuildingSchoolsforthe21stCentury@hillingdon.gov.uk)

Meanwhile, our new innovative £6 million building project is progressing very well.

Yours faithfully

**P Lang**  
Head Teacher
