Key Stage 4

New Progress 8 Measure

Uxbridge High School is an early adopter school for Progress 8. This means that our KS4 results are presented in a slightly different way from schools who have not converted to the new system. Progress 8 takes into account a wide range of subjects and particularly how much progress students make in each subject, from when they start in Year 7 to when they complete their exams at the end of Year 11.

From next year all schools will be using Progress 8.

There is a full explanation of Progress 8 on our Examinations Page of the website.
