Dear Parent

Sports Leaders Level 2 Qualification

I am writing this letter to inform you of the upcoming schedule for the sports leaders qualification, which your child has chosen to complete. Due to the students commencing Year 11, which is understandably a challenging year, students will be required to come into school on **Wednesday mornings** to complete the sessions. These sessions will be held from **07:45 to 08:30**. There will be a combination of theory and practical sessions, which I will update the students on. There may also be external sessions, where students will deliver sessions to primary school students. These will take place either during or after school.

The level 2 sports leaders course is a fantastic opportunity for our students to take their first steps into coaching and volunteering. Students will develop valuable skills which they can use in sport and beyond, gaining confidence in leading groups of children independently. The qualification can also lead to possible employment as a coach through various external clubs, helping to coach teams or work with school holiday camps.

The level 2 sports leaders course is also recognised nationally on UCAS statements when applying for universities. It provides a great platform to go on and complete the level 3 sports leaders, which is equivalent to an E grade at A Level.

The registration cost for the course is £33.50 per student. This will be made available on ParentPay, and pupil premium students may have a reduced cost. This needs to be paid as soon as possible, if it has not been paid already.
