

February 2020

Dear Parent

Visit to Brunel University – Year 9

I am writing to inform you about a school visit to Brunel University on Monday 24th February. The aim of this visit is for students to participate in the Target Mars workshop. Students will develop and understanding of how to survive on mars and what life is like on an international space station.

Students will leave the school at 08:40 on Monday 24th February and walk to and from Brunel University, returning to school at 15:30. Students will be required to wear school uniform, including shoes (no trainers or jeans allowed). Students will require a pencil case for this trip and should also bring a packed lunch.

If your child suffers from asthma or requires an EpiPen, it is your responsibility to ensure that the appropriate medication is provided for this trip.

Please note that there are a limited number of places available and these will be allocated on a first come, first served basis. Only students with an exemplary record of behaviour will be eligible. This visit will only take place if we have a sufficient number of students and confirmed payments.

There is no cost for this trip, however if you would like your child to attend please complete the consent form on ParentPay

By consenting on ParentPay to this trip, you agree to:

- Your child taking part in the visit as detailed above;
- A member of staff giving consent for your child to receive appropriate medical treatment in the event of an emergency.

If you have any further queries, please do not hesitate to contact me.

Yours sincerely

R Wootton
Assistant Curriculum Leader – Science

Principal: Nigel Clemens BSc, MA
