Dear parent/carer

### **Art & Design and Photography Voluntary Contribution**

During the course of the school year, your child will be developing their art skills and using a wide variety of techniques and a range of materials. We are asking parents for a voluntary contribution of £10.00 in order to provide your child with high quality materials and printing where applicable.

As part of their course, in addition to the pack that students are required to have, students have access to materials and equipment such as paints, clay, inks, glazes, plaster, drawing, printing inks and lino blocks. Your contribution will allow our department to continue to provide excellent opportunities to students, through access to a variety of creative mediums and materials and enable us to invest funds in new equipment and materials.

I will emphasise that contributions are purely voluntary and will not affect the quality of education that your child will receive. If you are happy to make a contribution towards the cost of your child's resources for art this year, this can be paid via ParentPay.

If you have any queries, please do not hesitate to contact me via email at [esasu@uhs.org.uk](mailto:esasu@uhs.org.uk).

Thank you for your continued support.

Yours sincerely
