Dear parent/carer

Art and Design Voluntary Contribution

During the course of the school year, your child will be developing their art skills and using a wide variety of techniques and a range of materials. In order to provide your child with high quality materials, we are asking parents for a voluntary contribution of £5.00.

As part of their course, students are provided with a sketchbook and have access to materials and equipment such as paints, clays and inks. Your contribution will allow our department to continue to provide excellent opportunities to students, through access to a variety of creative mediums and materials and enable us to invest funds in new equipment and materials.

I will emphasise that contributions are purely voluntary and will not affect the quality of education that your child will receive. If you are happy to make a contribution towards the cost of your child's resources for art this year, this can be paid via ParentPay.

If you have any queries, please do not hesitate to contact me via email at esasu@uhs.org.uk.

Thank you for your continued support.

Yours sincerely
