ART

COURSE INTRODUCTION

The first project you will be working on will be 'Identity'. To ensure you have the best start in September you will complete a number of tasks over the summer. This work will go into your A Level portfolio.

Principles for the Development of a Complete Mind: Study the science of art. Study the art of science. Develop your senses - especially learn how to see. Realise that everything connects to everything else. - Leonardo da Vinci

Essential summer reading

Edexcel Pearson: A Level Art & Design Specification

Task to be completed

1. Create a mind map on the theme 'Identity'. You can explore areas such as; personal identity, cultural identity, physical appearance, the identity of a location (cities/buildings), identity of nature and animals. Your topic is open and completely up to you.
2. Collect 30 photographs to support your research
3. Complete 10 sketches in a material of your choice. These sketches need to support your theme.
4. Write out a paragraph on your intended theme and why you have selected it.
