Dear parent/carer

Easter Half Term Revision Sessions

We hope you and your family are well. We are writing to inform you that we will be hosting revision sessions during the upcoming Easter half term break.

Subject areas will be selecting students in order to provide them with additional support in the run up to their GCSE exams which begin in early May. These sessions will take place Monday 30th March – Thursday 2nd April and Tuesday 7th April – Thursday 9th April.

You will receive a message in the coming weeks providing details of the date, time, and location of any revision sessions your child has been invited to attend. This information will also be shared with your child by their subject teacher before the end of this half term.

Students will be asked to sign a register for the subjects they attend, which is a legal requirement and will help the school monitor student attendance over these days. The sessions will be different to normal lessons and therefore students do not need to wear school uniform. However, we will still expect all other classroom and school non-negotiables to be adhered to. This will ensure that all students are able to make progress during each session. It is important to note that students are restricted to the subject areas, which occur on a given day. This is for health and safety requirements, due to the work and maintenance that takes place over the course of the week.

The GCSE support programme is a successful initiative organised by the school. Therefore, we ask that you please encourage your child to attend.

If you would like any further information, please do not hesitate to contact us at the school via email to parents@uhs.org.uk.

Yours sincerely

A King
