Dear parent/carer

GCSE Music Theory Club

We are delighted that your child is continuing to make progress in GCSE music. In order for them to fulfil their golden potential, we are starting a music theory club, free of charge, which will take place on Monday Week B from 3pm to 4pm in O10.

Music theory is notoriously tricky to master, and most students nationally who achieve top grades have higher exposure to, and experience with, reading and deciphering music notation quickly. Therefore, in order for our students to achieve the ambitious grades, of which they are fully capable, we feel that this music theory club should be regarded as compulsory by all students.

Please kindly email to emalesci@uhs.org.uk to confirm that you have read this letter and thus, are aware of this valuable opportunity for your child to gain extra confidence in music theory, which is worth 40% of the overall marks for GCSE music.

Thank you for your support.

Yours sincerely

J Dawson
