

## MUSIC INSTRUMENT LESSONS

Learning a musical instrument boosts children's confidence, focus, control, and social skills. It is a powerful workout for the brain each time they play on their music instrument!

We would like to offer you a golden opportunity for your child to learn to play a music instrument at UHS with our gold standard expert music tutors, at much lower cost than privately arranged lessons.

We offer these instruments to learn:

**Drums, Piano / Keyboard, Singing, Guitar, Bass Guitar, Violin, Trumpet, Trombone, Flute, Clarinet, Saxophone**

If the instrument you are thinking of is not in the list, please contact Mr Dawson to discuss on [jdawson@uhs.org.uk](mailto:jdawson@uhs.org.uk)

Lessons cost £103.75 per term, plus £29.50 if you need to hire an instrument (hire available for violin, flute, clarinet, trumpet, trombone). Concessionary rates apply in some cases:

### **Concessionary prices for families receiving Universal Credit**

Reduced prices per school term:

- Price per term: £22.35
- Instrument hire per term: £9.60

You pay the reduced rates if you:

- get Universal Credit and your household income from employment is less than £617 per month
- meet any other criteria for your child to receive free school meals (i.e. you receive income support, income based jobseekers' allowance or if you receive child tax credit with an income below £16,190 (but do not receive working tax credit).
