

23rd March 2020

Dear parents/carers

It is with some sadness that today staff are working to close down the school site. We are doing this to protect our students, you as families and our staff, as part of the nationally coordinated effort.

We hope this morning that all students have begun accessing remotely the work that teachers have set. In school we are working on systems that will enable us to keep in contact with you and our students over the weeks to come. We will advise on these at a later date.

Our phones will close later today but the school can be contacted by email which will be continuously monitored during our normal opening hours.

Yours faithfully

N B Clemens
Principal
