## A Level Success Celebrations at Uxbridge High School

Uxbridge High School proudly announces many remarkable achievements as we celebrate this year's A Level results. The dedication and drive of our students have yielded outcomes that truly reflect their commitment, and we extend our heartfelt best wishes, as they embark on the next exciting phase of their journeys.

96% of our students have secured success in 3 or more A Levels at grades A\* to E, with 66% of all students attaining A\* to C grades across 3 or more subjects. Our school has excelled in many areas but particularly mathematics, further mathematics, English literature, sociology and art.

Principal, Louisa Seymour, expressed her pride, saying, "our students are departing with A Levels, and Level 3 qualifications with many achieving A\* to C or Distinction grades. Nationally the number of top grades has been reduced and therefore that leaves some students with high ambitions slightly disappointed. However, we choose to focus on what they have achieved, rather than what they haven't and in the face of many challenges.

Students from Uxbridge High School are set to embrace diverse paths, from the academic heights of esteemed institutions like Kings College, Warwick and universities in the USA and others to apprenticeship schemes. At Uxbridge High School, we remain dedicated to nurturing our students' ambitions, ensuring they
