

PRESS RELEASE

GCSE exam results at Uxbridge High School

Uxbridge High School is thrilled to announce an extraordinary achievement in this year's examination results. Our students have surpassed our expectations and overcome all the challenges of the last 4 years of their education. We have students with straight grade 9s and students who have achieved above their predictions which we celebrate equally. Our gold vision is that students are the very best versions of themselves. We are very proud of how this cohort worked to achieve this. The news in the press is that grades have been lowered. However, we need to celebrate the achievements of our remarkable students and continue to build their confidence as they go onto the next stage of their academic journey.

75% of students achieved grade 4 or better in English with 25% of students gaining a grade 7 or above. Results were very similar in Maths (70 % and 23% respectively). We also had some fantastic results in Art, Photography, Spanish, Psychology and Science. We could quote many more statistics, but we would prefer to shine the light on some special students. Our students' individual triumphs shine brightly throughout the year group. We are proud to highlight some notable accomplishments both those with top grades and those who have performed beyond expectations.

The following students should be praised for high academic achievement with many grade 8s or 9s, Heba Benayad, Louie Birch, Emily Brookfield, Karim Guerrag, Tayyeba Omair, Sara Saad, Vithyah Vijayathas and Maylin Zaw.

The following students all achieved fantastic results significantly above their target grades, Ali Alfadhli, Martim Alves, Breanna Colley, Labiba Islam, Afaf Osman & Diana Pardau-Gomes.

Principal Louisa Seymour expressed, "These examination outcomes instil immense pride in our students and within our school community. The unwavering dedication our students and staff have displayed throughout the academic year. Through tireless collaboration, our entire school community has united to provide our students with optimal avenues for accomplishment."

On behalf of our dedicated staff, I extend heartfelt congratulations to each student for their relentless hard work and positive outlook, exemplifying remarkable resilience. Uxbridge High School is proud of its students and remains committed to fostering a learning environment where each individual can thrive. We thank our students, parents, and the local community for their continued support. Together, we celebrate these exceptional achievements and look forward to the golden futures that await our students."
