 For the latest school updates on coronavirus. [Read More »](#)

In the event of a school closure you should follow your normal timetable.

Each day you should check the school website for important updates then log into Show My Homework where teachers will set activities.

▶ Logging in as a staff member

Enter your school email address and password to access your account

Forgot password?

Reset your password using your school email address.

Email not recognized?

Ensure there are no typos or try a different email address. If you are still unable to reset your password, contact your school administrator who will be able to update your contact details.

Click 'Sign in with Office 365'.

Sign in using your school email and password.

Remember your school email address is your school computer username.

username@uhs.org.uk

We will be able to check daily if you are logging in and checking your tasks.

While all activities will be set on SMHW you may need to access additional files, including revision materials if you are in year 11 or year 13.

On the school website we have also created a 'Student Portal' where teachers will be able to share useful files.

The homepage looks like this. It includes links to some key websites where additional activities maybe set.

Team UHS PE @UHSPE

Remember there are plenty of other useful websites where teachers may set activities and you should use for revision. These are some of them.
