

KS4 Science Journey

Exams

Adaptations, interdependence and competition

Motion

Electromagnetism

Wave Properties

WAVES AND ELECTROMAGNETISM

ECOLOGY

FORCES IN ACTION

Revision

Electromagnetic Waves

Biodiversity and ecosystem

Organising an Ecosystem

Force and Motion

Reproduction

The Earth's Atmosphere

Using Resources

GENETICS AND REPRODUCTION

Analysis and Earth's Resources

The Earth's Resources

Variation and Evolution

Genetics and evolution

Chemical Analysis

Year 11

Forces in Balance

Crude Oil and Fuels

Rates

Forces

Rates, Equilibrium and Organic Chemistry

Human Nervous System

Organic Chemistry

Equilibrium

Electricity in the home

Molecules and matter

Hormonal Coordination

Energy Changes

PARTICLES AT WORK

CHEMICAL REACTIONS

Electric Circuits

Radioactivity

Respiration

Non-communicable diseases

Preventing and treating disease

Chemical Changes

DISEASE AND BIOENERGETICS

Year 10

Chemical Calculations

Photosynthesis

Communicable diseases
